## Algemene informatie

|                  |                                                                       |
|------------------|-----------------------------------------------------------------------|
| Artikelnummer    | 235064                                                                |
| EAN              | 8719157007030                                                         |
| EOC FR           | 007030                                                                |
| Merk             | Noxion                                                                |
| Fabrikantnaam    | Noxion LED Linear Light NX-Line Module 8/1500 35W 4000K FD120 WH DALI |
| Garantie         | 6 jaar                                                                |
| Levensduur (uur) | 50000                                                                 |

## Technische Informatie

|                        |                             |
|------------------------|-----------------------------|
| Technologie            | LED Geïntegreerd            |
| Wattage                | 35                          |
| Netspanning (Volt)     | 220-240                     |
| Dimbaar                | Dimbaar met Dali            |
| Lichtopbrengst (Lumen) | 5600                        |
| Lumen per watt         | 160                         |
| Gradenbundel (graden)  | 120                         |
| Powerfactor            | >0.90                       |
| Kleurcode              | 840 Koel Wit                |
| Lichtkleur (Kelvin)    | 4000 Koel Wit               |
| Kleurweergave (Ra)     | 80-89 - Goede kleurweergave |
| Lichtkleur             | Wit                         |

|                 |              |
|-----------------|--------------|
| Kleurinstelling | Enkele kleur |
|-----------------|--------------|

|                             |    |
|-----------------------------|----|
| Geschikt voor Buitengebruik | No |
|-----------------------------|----|

## Armatuur Informatie

|         |          |
|---------|----------|
| Montage | Trunking |
|---------|----------|

|                    |                                |
|--------------------|--------------------------------|
| Optische Afdekking | PMMA (Polymethyl methacrylate) |
|--------------------|--------------------------------|

|           |                        |
|-----------|------------------------|
| IP-Waarde | IP20 - Bijna stofdicht |
|-----------|------------------------|

|                          |                |
|--------------------------|----------------|
| Slagvastheid (IK-waarde) | IK08 - 5 Joule |
|--------------------------|----------------|

|                     |            |
|---------------------|------------|
| Bedrijfstemperatuur | -20 to +40 |
|---------------------|------------|

|           |       |
|-----------|-------|
| Behuizing | Steel |
|-----------|-------|

|                |     |
|----------------|-----|
| Kleur Armatuur | Wit |
|----------------|-----|

|                 |     |
|-----------------|-----|
| Noodverlichting | Nee |
|-----------------|-----|

## Afmetingen

|             |        |
|-------------|--------|
| Lengte (mm) | 1498.5 |
|-------------|--------|

|              |      |
|--------------|------|
| Breedte (mm) | 69.8 |
|--------------|------|

|             |      |
|-------------|------|
| Hoogte (mm) | 39.4 |
|-------------|------|

## Sensor Informatie

|            |             |
|------------|-------------|
| Sensortype | Geen sensor |
|------------|-------------|
